WAUSAU AREA PLUMBER APPRENTICE MONTHLY WORK RECORD

Record your experience at the end of each workday. The website for entering your hours online is: www.apprenticeworkrecord.com. If you have any questions, please call (920) 734-3148.

Work records must be submitted online no later than the 10th of the following month. Failure to enter hours online by the 10th will result in an additional 10 hours of night school added to your requirements. Your complete cooperation with the Apprenticeship Committee in entering your hours promptly, every month, is required.

All the hours you are compensated for should be entered in one of the eleven (11) classifications listed below:

1. Day School
2. Sewer & Disposal Systems
3. Stacks, Soil Waste, Vent Pipes
4. Water Service
5. Water Pressure Systems
6. Cold & Hot Water Piping
7. Hot Water Tanks & Heaters, Water Softeners
8. Installation
9. Repair Work
10. Remodeling
11. Miscellaneous
NS Night school hours

If you are on vacation, sick leave, laid off, etc., note this on your work record for those days.

These cards form a permanent record of your apprenticeship training and assist the Committee in safeguarding your rights & opportunities to receive a well-rounded experience in the trade you selected. It is your responsibility to make sure they are **accurate** and turned in **on time**.

Be sure to total each day & column.
